

 GroceryBuddy has successfully been registered.

# Registration Details

Thank you for registering your application! To avoid any errors during implementation, we recommend that you review the following app registration details before continuing.

## OAuth2

When making an OAuth2 access token request, your client\_id and client\_secret are required in the authorization header. You must use one of the following redirect URIs when authenticating a customer using the Authorization Code grant type.

 Your client\_secret can only be accessed by request once you click Continue. Select the print icon to print your app details and secret to pdf.

Name	Details
client_id	grocerybuddy-9e486ce3aa50a6332e14f4b85aa0c6404282937107577657555
client_secret	uaJrTdl3jKSrlm3i_U8_clbfINNWETaEoqTaPtdC 
redirect_uri	

## Permission

Your application is now granted access to the following APIs. When requesting an OAuth2 access token, you must provide the scopes associated with the registered API you need to access.

API	Scopes
Locations (Public) - Certification	
Products (Public) - Certification	product.compact

Your application now also has access to the following grant types and additional scopes.

Name

Details

Grant Type

authorization\_code, client\_credentials, refresh\_token

Other Scopes
